🐾 Once availability is confirmed, please pay your \$500 deposit to hold a puppy via:
CashApp, Zelle, Venmo, or PayPal (fees apply) <https://allshadesofgoldens.com/pay-here/>.

🐾 If a deposit is placed without confirmation from me and there are no puppies available, you will receive a refund, but you will be responsible for any fees.

🐾 Once I confirm receipt of your deposit, you will then need to complete a contract that is located on our website <https://allshadesofgoldens.com/puppy-contract/> and email that to allshadesofgoldens@comcast.net.

🐾 At approximately 6 weeks of age, the puppies will be examined by a licensed veterinarian, receive their first set of puppy vaccinations, and be dewormed.

🐾 We will schedule visits for you to come meet the parents and pick your puppy on Saturday, December 2nd 2023 at 6 weeks of age. Appointments/Picks are determined by the order the confirmation/deposit was received.

🐾 On the day that you meet your puppy and the day you pick up, we ask that you do not visit any pet stores or be around any other animals with unknown vaccination/health history, as we do not want to chance any of our puppies contracting anything, especially Parvo.

🐾 The puppies will go to their forever homes at 8 weeks of age on Saturday, December 16th, 2023 with a Florida Health Certificate, Limited AKC registration application, a bag of puppy food, a toy, treats, and a blanket with mom & siblings scents.

🐾 The balance of \$1,500 is to be paid in full either by cash the day of or CashApp, Zelle, Venmo, or PayPal (fees apply) <https://allshadesofgoldens.com/pay-here/>

🐾 Be sure to watch our Facebook page <https://facebook.com/AllShadesofGoldens>, as I post pictures, videos, and Facebook Live almost daily as the puppies grow!

Feel free to contact me with any questions you have!
